MESSENGER

CELEBRATION FAMILY MONTH

Dear St. Paul UMC family and friends, may God be with you.

As you know, the postponed 2020 General Conference of The United Methodist Church, held from April 23 to May 3, 2024, has marked a significant moment in our history. These decisions are not just for the wider church but directly impact our St. Paul UMC community. The approval of Worldwide Regionalization, the removal of restrictive language regarding LGBTQIA+ individuals, the adoption of the Revised Social Principles, and the conclusion of disaffiliation policies are all changes that will shape our future. For more information, please visit www.umcgc.org.

St. Paul UMC met on May 19 to review these highlights. Some may dislike or be disappointed by what the General Conference made, some may be puzzled, and some may be happy with it. If you are willing, please stick with us. There are more to come down the road. Let's continue to walk and work together.

This General Conference reminds me of Abraham's story.

We call Abraham the "father of faith," not because his life gives us a perfect example but because his many trials and tribulations serve as a model for those who follow in his footsteps. God called Abraham at the age of 75. He left his homeland with God's promise to make a "great nation." It must have been a beautiful promise to him, who had no children up to that point.

But the reality was different from the promise. It wasn't easy to have a son, let alone become a great nation. It was about a decade or so after Abraham had gone down into Egypt and then back up into the land of Canaan. One day, the word of God came to Abraham: "Abram, "Do not be afraid, Abram, I am your shield; your reward shall be very great." (Genesis 15:1b) Abraham responded, "For I continue childless, and the heir of my house is Eliezer of Damascus" (Genesis 15:2). Abraham had been working on a plan to adopt Eliezer of Damascus and make him his heir, unlike God's promise. God took him outside, showed him the stars in the night sky, and again promised him, "Your offspring will be like this." Abraham took back his plan and believed in God, and God counted it as "his righteousness." His faith was pleasing to God.

ST. PAUL UMC VISION STATEMENT

"St. Paul United Methodist Church is a Christ-Centered family that offers H.O.P.E., by responding to God's love and grace as Christian disciples"

(continued on page 2)

(continued from page 1)

But what happened next? Abraham promptly followed his wife's advice, which was not like God's promise, and had a son by Sarah's handmaiden, Hagar. He is Ishmael. Abraham was 86 years old at the time. Then, finally, God revisited Abraham when he was 99 years old, reaffirming his promise of descendants, promising him that he would have a son this time next year. Then Abraham fell on his face, hiding his laughter, and said, "O that Ishmael might live in your sight." (Genesis 17:18). What does this mean? It means that I'm no longer waiting for God's promise; Ishmael is my child, and that should be enough if I live in good faith with God.

Nevertheless, God says again that Isaac, who will be born this time of next year, will be the descendant of the promise. Abraham comes to his senses and circumcises his entire family as God has commanded. Then, on his way to judge Sodom and Gomorrah, God met with Abraham again and reaffirmed his earlier promise: Abraham would have Isaac a year later.

Now, did Abraham's persistence in waiting cause the miracle? No. Only God's persistent encouragement and persuasion kept Abraham from giving up waiting. It wasn't technically Abraham's waiting; it was God's waiting. Even now, God doesn't give up on us. He's holding on to us to the end and building us up as an ancestor of faith. That's where our hope lies.

Over the last couple of years, the United Methodist Church, including St. Paul UMC, has experienced heartbreaking challenges and changes. I believe you all agree with me. However, let's remember why we are here at St. Paul United Methodist Church. We are here because of God's grace, truth, and faithfulness, not because we are perfect or better than others. We are here and called God's family because of God's work and bountiful love.

We are in the season of Pentecost. God sent the Holy Spirit to continue to love us and help us follow God's path. This Holy Spirit will walk with us and lead us in God's way as God did with Abraham. However, as we have done, we may make mistakes, make wrong choices, and distrust God's promises with impatience down the road. However, let's keep up the good work and look to God, who is faithful and sincere.

Dear beloved St. Paul UMC family and friends, let's work and walk together, encourage, and be patient with each other, as God always does. Let's walk and work with the Holy Spirit, who came down to empower and equip us to be God's children. Let's open our hearts and minds to God and follow God's guidance.

We are the people of the United Methodist Church, 'Open hearts, Open minds, and Open Doors.'

From Rev. Myungha Baek

MISSIONS

It is a blessing to be able to bless others.

LAY LEADER DONNA HOUSE

St. Paul UMC has many blessings to be thankful for every day. Our two new ministries, the prayer ministry and the card ministry, are touching many lives in and outside of our congregation. The National Day of Prayer brought many together in our sanctuary. Our traditional Spaghetti Dinner and Silent Auction are back on May 18th! Plans are being made for Vacation Bible School the week of June 17th. And don't forget to bring a friend to church or one of our activities!

Thank you also to those who donate, help set up and clean up our weekly Fellowship Times every Sunday from 10:00 – 11:00 am. Pete Carroll faithfully sets up the chairs and tables every week and we thank him. Please join us after 9:00 am AND before 11:00 am service so we can all fellowship together.

Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received.

Whoever speaks must do so as one speaking the very words of God; whoever serves must do so with the strength that God supplies, so that God may be glorified in all things through Jesus Christ. To him belong the glory and the power forever and ever. Amen.

-1 Peter 4:10-11

TRUSTEES JIM HOUSE, CHAIR

Many hands came together to make this happen. Thank you!

Upcoming projects include:

4. Exploring solar panel options for the CLC

The trustees maintain a detailed list of projects across our campus and are working to complete them. Please inform a trustee if you see any area that needs repair and/or if you have an idea for improvement. We want St. Paul UMC to be an inviting, safe space for all to worship and fellowship.

ABOUT GENERAL CONFERENCE

General Conference is the top lawmaking assembly of The United Methodist Church and the only entity that speaks for the denomination. It convenes every four years, with delegates from the denomination's regions around the world.

MAJOR ACTION

REGIONALIZATION PETITIONS APPROVED

- Delegates approved legislation that would restructure the denomination to be more contextual in different regions served by the church. Bishop Tracy S. Malone, president of the Council of Bishops, said that "Regionalization would enable the church to be contextual in ministry while remaining connected around the mission of the church and the essentials of the faith." It would enable the church to "honor who we are as a worldwide denomination."
- Regionalization represents an effort to put the church's different geographical regions on equal footing and to make the General Conference less U.S.-centric. The current central conferences and the U.S. would become regional conferences, with the same authority to pass legislation for greater missional impact.
- Delegates also approved the continuation of work on a General Book of Discipline that would be brought to the next regular session of General Conference.
- The regionalization legislation involves an amendment to the church's constitution. This would have to be approved by at least two-thirds of the total votes cast across all annual conferences worldwide in order for much of the regionalization legislation to take effect. If they receive the necessary number of votes, the results would be announced by the United Methodist Council of Bishops. The regionalization constitutional amendment is to be sent out 30 days after the adjournment of General Conference, which means some annual conferences could be voting on the amendment this year.
- Regionalization stands as distinct from the other work of General Conference. It had been in development for many years, with the Standing Committee on Central Conference Matters and the Connectional Table collaborating on the petitions that were submitted. It received support from delegates from every region.

MAJOR ACTION

REMOVAL OF RESTRICTIVE LANGUAGE RELATED TO LGBTQ PEOPLE

The General Conference voted by overwhelming majorities to remove from the United Methodist Book of Discipline discriminatory language and bans related to ministry by, with and for “self-avowed practicing” gay and lesbian people. Actions included:

- Removal of the language that the “practice of homosexuality ... is incompatible with Christian teaching.”
- Removal of the ban on the ordination and appointment of “self-avowed practicing homosexual” clergy.
- Removal of language that made the ordination of “self-avowed practicing homosexual” clergy and the performance of same-sex weddings chargeable offenses.
- Removal of mandatory minimum penalties for clergy holding same-sex weddings.
- Removal of a prohibition against using United Methodist funds to support groups, activities and causes that promote the acceptance of homosexuality.
- Removal of the requirement that the General Council on Finance and Administration, the denomination’s finance agency, enforce the funding ban. Instead, the provision says the agency should ensure that church funds do not go to anything that rejects LGBTQ persons or limits the response to the HIV epidemic.
- Allowance for all clergy in good standing to be appointed across annual conference lines when their bishop can’t locate an appointment in their conference.

***IMPORTANT:** Nothing passed by General Conference would compel churches to receive a gay pastor. The legislation approved also explicitly protects the right of clergy and churches not to officiate at or host same-sex weddings. Pastors have the authority to decide when and for whom they will officiate a marriage. Congregations have the right to determine whether such ceremonies will be held on church property.*

These changes bring the Book of Discipline back to a neutral place where one group is not singled out for discrimination. It holds space for differing opinions within The United Methodist Church by avoiding broad mandates.

MAJOR ACTION

HISTORIC FIRSTS

- Bishop Tracy S. Malone, resident bishop of the East Ohio Conference, became the first Black female president of the Council of Bishops on April 30, 2024.
- Bishop David Wilson, resident bishop of the Great Plains Conference, became the first Native American bishop to preside over the General Conference on April 25, 2024.

MAJOR ACTION

APPORTIONMENT PERCENTAGE DECREASED

In an effort to balance funding important connectional ministries through the general church budget and supporting the local church during financial challenges due to the pandemic and disaffiliation, delegates approved a compromise regarding apportionments. Conferences will shift from their current base rate of 3.29% to a base rate of 2.6% for 2025 and 2026. Then, if the apportionment collection rate is 90% or higher in those years, the base rate will increase to 2.9% for 2027 and 2028.

LEARN MORE:

<https://www.umnews.org/en/news/general-conference-reduces-requested-giving>

MAJOR ACTION

BUDGET APPROVED

Delegates approved a 2025-2028 budget of \$373.4 million. That total is contingent on collection rates being at 90% or more for the next two years. If giving is below that percentage, the budget bottom line will be \$353.6 million. The total approved is significantly smaller than the budget approved by the 2016 General Conference. Annual conferences will be asked to pay less in apportionments.

MAJOR ACTION

ADOPTION OF REVISED SOCIAL PRINCIPLES

Delegates approved the first overhaul of the denomination's Social Principles in nearly 50 years. The Social Principles, contained in both the Book of Discipline and Book of Resolutions, are statements that reflect official United Methodist teachings on a wide range of topics. They are not church law but are intended to inform United Methodist witness on issues of the day with a biblical foundation. The 2012 General Conference approved revising the Social Principles, setting in motion a process that involved input from people around the world, coordinated by the General Board of Church and Society. In addition to the language changes regarding human sexuality and inclusiveness, the Social Principles address the importance of advocating for human dignity and combating racism and other threats, caring for creation and the environment, standing against social ills, and supporting healthy community in all its forms, including economic, social and political.

MAJOR ACTION

DISAFFILIATION POLICY ENDED, RE-AFFILIATION MEASURE APPROVED

Delegates ended the disaffiliation policy that was added by the special 2019 General Conference. They also required annual conferences affected by disaffiliation to develop grace-filled policies for reaffiliation of churches that want to rejoin the denomination.

ADDITIONAL MAJOR ACTIONS DELEGATES ALSO:

- Approved a constitutional amendment addressing the denomination's commitment to eradicating racism.
- Approved an apology to victims and survivors of sexual misconduct by clergy and lay leaders in the church. The resolution also encourages the reporting of sexual abuse and states that the abuse of power will not be tolerated in the church.
Delegates also observed Thursdays in Black in recognition of violence that is perpetrated against women around the world.
- Approved an apology for the role of Methodists in the overthrow of the kingdom of Hawaii in 1893.
- Approved allowing deacons to preside at the sacraments – Holy Communion and baptism -- in their appointments.
- Approved updating jurisdictional young people's ministries, including changing the Division on Ministries with Young People to the Young People's Connectional Network.

- Approved a new retirement plan for U.S. clergy, called Compass, which would be a defined contribution plan similar to what many corporate employers provide. The plan takes effect in 2026.
- Approved a full communion agreement with the Episcopal Church. If the Episcopal Church affirms the agreement, it will mean the denominations recognize each other as the “one, holy, catholic and apostolic church in with the Gospel is rightly preached and taught.”
- Approved adding two bishops for Africa, for a total of 15, and set the number of U.S. bishops at 32 – a decrease from the 39 active bishops and one retired bishop currently serving episcopal areas in the U.S.
- Adopted a new Book of Resolutions, including readopting many resolutions and approving new ones, addressing topics such as climate change, rights of farm workers in the U.S., the observance of the Children’s Sabbath, caring for Native people and opposition to racial profiling.
- Adopted a resolution condemning racial-ethnic discrimination and gender-based violence against Asian Americans.
- Approved a resolution calling on United Methodist institutions not to invest in government bonds of Israel, Turkey and Morocco because of long-standing military occupations by those countries.
- Approved a motion to allow four Eurasian conferences to leave the denomination and form an autonomous church. Celebrated the impact of Africa University and milestone anniversaries – the 200th anniversary of Methodist mission, the 100th anniversary of the United Methodist Building in Washington, D.C., and the 80th anniversary of the United Methodist Committee on Relief. Elected a new Judicial Council, the denomination’s top court, and filled positions on the Commission on the General Conference, University Senate, general boards and agencies of the church and other entities, as well as trustees to John Street United Methodist Church in New York, the oldest continuously operating Methodist church in the United States.
